Investigations: Ice-cream Flavours

You have got 3 ice-cream flavours. How many different combinations of ice-creams can you make?

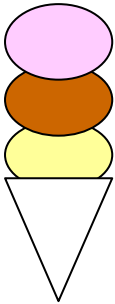

Flavours: strawberry, vanilla, chocolate

Rules: Each cone must have 3 scoops of ice-cream.

You can use a flavour of ice-cream more than once for each cone.

Clue: Try and think logically and in order.

Show the different combinations of ice-cream cones you can make. The first cone has been done for you.
